Environment Protection

Tank Gauging

With a lineage of over 65 years in the field of instrumentation, Toshbro Controls is a company, offering reliable products for process measurement and control.

Our partnership with international companies, a strong commitment to technical support pre and post sales, manufacturing back-up and a team of skilled & qualified engineers enable us to deliver on our commitment to offer quality products and services to our customers.

OUR PRODUCT PORTFOLIO

Level

Continuous Level Measurement & Point Level Detection of Solids, Liquids and Slurries.

Vibrating Fork - Solids

Vibrating Fork - Liquids

RF Capacitance

Ultrasonic

Microwave

Conductivity

Guided Wave Radar

Hydrostatic

Electromechanical

Flow

Measurement of Flow of Liquids and Slurries in Closed Pipes or Open Channel. Measurement of Flow of Solids free falling, in closed pipes or on conveyors.

Electromagnetic

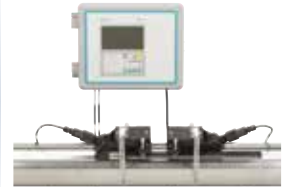

Ultrasonic - Open Channel

Positive Displacement

Flow Detection of Solids

Ultrasonic

Solid Flow Measurement
Lean Phase

Solid Flow Measurement
Dense Phase

Rotational Speed

Detection, Measurement, Over Speed Protection, Diagnosis & Management of Rotational Speed of turbines and machineries in Industries, Power Plants and Railways.

Speed Sensors

Tachometers

Pole Wheels & Pole Band

Overspeed Protection

Pressure

Stainless Steel Transmitters for all processes. Flushed diaphragms for Food, Dairy & Pharmaceutical Industries.

Flushed Diaphragm

Intelligent

Submersible

Moisture

Measurement of Trace Moisture, Humidity & Dew-point in Liquids, Gases & Moisture in Solids.

Online

Portable

Process Analyzers

Moisture in Solids

Environment Protection

Detection & Measurement of dust and particulate matter in atmosphere. Flow of liquid effluents and waste water.

Broken Bag Detection

Dust Measurement

Electromagnetic Flow Meter

Ultrasonic - Open Channel Flow

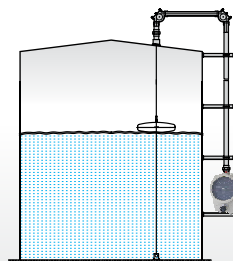

Rate of Flow/Loss of Head Indicator

Tank Gauging

Accurate measurement and transmission of level of liquids in storage tanks.

Tank Level Indicator

Services Offered

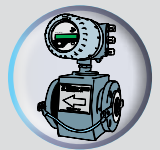

To help you optimize the return on your investment and ensure greater satisfaction, our well qualified service engineers deliver a range of customized services:

Installation & Commissioning

Annual Maintenance Contract

Flow Meter Calibration

Refurbishing

Training

A Strong Network

We serve the needs of our customers through a well-established network of offices & channel partners.

Some of our Approvals

- Engineers India Ltd. (EIL)
- NTPC
- Bharat Heavy Electricals Ltd. (BHEL)
- Mecon Ltd.
- M. N. Dastur & Co.
- Tata Consulting Engineers Ltd. (TCE)
- Avant-Garde Engineers & Consultants Pvt. Ltd.
- Gujarat Water Supply & Sewerage Board (GWSSB)
- Steel Authority India Ltd. (SAIL)
